Chapter 1

Getting Started

1.1 Overview

This chapter introduces the project, its goals, and how the rest of the book is organized.

You can briefly explain:

- Who this material is for.
- What background (if any) is expected.
- How the chapters fit together.

1.2 How to Use This Book

Here you can describe how readers should work through the material. For example:

- Recommended order for reading chapters.
- Whether there are exercises, code, or external resources.
- Any conventions used (notation, terminology, etc.).

1.3 Notation and Conventions

Define:

- Symbols you will use frequently.

- Formatting conventions (e.g., `code`, *emphasis*).
